I can say is I'm really grateful that I have you for my bestus (get that) friend.

No matter what anyone has said I don't think anything or anyone could ever break up this friendship. It's just too GREAT.

It seems like everytime we go out we get into something. Most of the times its crazy, but then so am I.

I wish you all of the luck & love in the world.

Madie Poo, you do the best imitation of a monster that I've ever seen. Maybe you'll do it for Frank one of these days. OK? I hope that you have a good life from now on. You've really added something to mine, what I don't know, but it's great. I hope we're always friends and I'll always remember you.

Pat

P.S. I hope we will always keep in contact after graduation. Cause we're really cool together. I promise I'll always love to hear from you. Remember all the adventures that we had. I remember that you were a real friend. I'll always remember the time we had walking to the store. (the hee) Such always & never forget me.
